ONE DEAD, 5 HURT, IN EXPLOSION AT DUPONT WAR PLANT

WILMINGTON, Del., Dec. 14.—One man was killed and five were injured today in an explosion in the early plant of the Dupont Powder Company, eighteen miles from here, William Crowe, of Newark, was burned to death in the fire which followed the explosion.

Wilmington firemen have been rushed to the scene.

Shortly after the departure of the firemen, a fire broke out in the power house of the Wilmington Traction Company.

WALSH OF MASS. BLOCKS AGREEMENT FOR SUFFRAGE VOTE

Objection by Congressman Walsh of Massachusetts, anti-suffragist, prevented in the House today an agreement to vote on the woman suffrage amendment Monday, January 7. Democratic Leader Kitchin asked unanimous consent to take up the amendment on that date.

Meantime at its annual convention the National American Woman Suffrage Association was laying plans for the course it will pursue if the Anthony amendment is defeated at this session. Upon the recommendation of the executive council the association adopted the following resolution:

"That if the Sixty-fifth Congress fails to submit the amendment before the next Congressional election, this association shall select and enter into such a number of Senatorial and Congressional campaigns as will effect a change in both houses of Congress sufficient to insure the passage of the Federal amendment. The selection of the candidates to be opposed is to be left to the executive board and the board of the State in question. Our opposition to individual candidates shall not be based upon party considerations, but upon the merits of the amendment which shall take precedence over loyalty to the country."

ZERO FOR NEGRO TROOPS HARD ON COMMISSARY

CAMP DODGE, Iowa, Dec. 14.—Alabama negroes in training as a portion of the national army at Camp Dodge, are getting their first taste of below zero weather.

The men are eating enough to last them for the rest of their natural lives, and some companies are re-equipping twice the amount of ration food ordinarily consumed by a white unit of the same number of troops.

One negro private was summoned before the summary court officer charged with trading his underwear for a sack of apples, this in face of a below zero cold wave.

"Well, boss, it was this way," he explained, "I done only got around two trips at mess last night, and I was plum hungry. I just naturally swapped that suit of underwear for something to eat. Ain't no nigger got any use for two suits of underwear at the same time, now."

His captain was summoned and asked to explain why Rastus was not getting enough to eat. He said that the negro soldiers frequently filled up their mess kits four or five times at one meal, and that the man in question had evidently reached mess late and been able to make but two trips.

TEMPERMENTAL GOOSE LANDS NEGRO IN JAIL

DETROIT, Dec. 14.—If the goose had not squealed on him, George Buester, negro, might have had a good dinner. But the goose squealed, and a patrolman, who was attracted by Buester's bulging coat, started after him.
